---

Ambitious, goal-driven, flexible and detail-oriented frontend developer looking forward to use his skills in frontend development to help build stable, elegant, responsive, usable, accessible and cross-platform frontend websites and application, using appropriate design pattern for a frontend role in an established company with the opportunity to work on challenging and diverse projects and equally trying to help maximize productivity.

As a person, I take great pride in my – excellent written and oral skills – ability to work in a fast paced and agile development environment and – in my ability to write reliable and maintainable code.

## EXPERIENCE

08/2021 – 02/2022

### FRONTEND DEVELOPER INTERN, USTACKY

- Built performant, beautiful and usable interfaces.
- Improved existing frontend websites/application and discover ways to solve issues.
- Integrate data from various back-end services and databases.
- Contributed to team productivity, code quality and tech adoption.
- Worked closely with designers and product managers recommendation.

04/2021 – 07/2021

- **FRONTEND DEVELOPER INTERN, HNG INTERNSHIP.**
- Created websites layout/user interface by using standard HTML/CSS/JavaScript practices.
- Troubleshooted, debugged and upgraded existing websites.
- Cooperated with designers to match visual design intent.
